**Gm7**            **C7** **Gm7**                            **C7** **Gm7**                            **C7**            **Gm7**

Every honey bee fills with jealousy, when they see you out with me

**C7**            **F** **Dm** **G7**                            **C7**                            **F**                            **Am** **D7**

Goodness knows,            you're my honeysuckle rose

**Gm7**                            **C7** **Gm7**                            **C7** **Gm7**                            **C7**            **Gm7**

When you're passin' by flowers droop and sigh, and I know the reason why

**C7**            **F** **Dm** **G7**                            **C7**                            **F**

Goodness knows,            you're my honeysuckle rose

**F7**                            **Bb7**

*Don't buy sugar,            you just have to touch my cup*

**G7**                            **C7**

*You're my sugar,            it's sweeter when you stir it up*

**Gm7**                            **C7** **Gm7**                            **C7** **Gm7**                            **C7**            **Gm7**

When I'm taking sips from your tasty lips, seems the honey fairly drips

**C7**            **F** **Dm** **G7**                            **C7**                            **F**

Goodness knows,            you're my honeysuckle rose

*the '%' symbol just means that you repeat what you did in the previous bar*
