

Texas Easy Street Blues

Henry Thomas (aka Ragtime Texas)

Baritone Uke in CGCD tuning

C

Ahhhh, what's the matter now

F

C

Tell me, mama, what's the matter now

I'm goin' back to Texas, sit on easy street

When you see me comin', don't call my name

When you see me comin', don't call my name

I'm goin' back to Texas, sit on easy street

Oooh, what's the matter now (ain't nothin' a matter)

Please tell me, what's the matter now (ain't nothin' a matter)

I'm goin' back to Texas sit on easy street

When you see me comin', heist your window high

When you see me comin', heist your window high

Well, I'm goin' back to Texas, sit on easy street

Oooh, what's the matter now

Please tell me, what's the matter now

I'm goin' back to Texas, sit on easy street

Got the Texas blues, blue as I can be

Got the Texas blues, blue as I can be

I'm goin' back to Texas, sit on easy street

Oooh, what's the matter now

Please tell me, what's the matter now

Got an ol' mule kickin' in my stall

A-when you see me running, something's goin' on wrong

Well, when you see me running, something goin' on wrong

I'm goin' back to Texas, says, on Easy Street
