G

My baby done changed, well, she done changed the lock on the door

C

G

My baby done changed, well, she done changed the lock on the door

D

G

She said, "That key you got won't fit this lock no more"

G

I went home last night 'bout half past 10

Tried the key in the lock and I couldn't get it in, 'cos

C

G

My baby done changed, well, she done changed the lock on the door

D

G

She said, "That key you got won't fit this lock no more"

G

I called my woman up, "Honey, what you want me to bring?"

She whispered real low, "Don't bring a dog gone thing",

I crawled out to the window, just to see what I could see

My baby had a young man there, sure enough wasn't me
