Trouble in Mind

Richard M. Jones

```
        G          D7        G       G7     C  C7
Trouble in mind, I'm so blue, but I won't be blue always
   G                    D7              G  C7  G  D7
The sun's gonna shine on my back door some day

        G     D7          G       G7      C  C7
I'm gonna lay my head on some lonesome railroad iron
              G              D7              G  C7  G  D7
And when the 2:19 comes I'm gonna pacify my gentle mind

Trouble in mind…

        G       D7        G       G7      C  C7
I'm going down to the river, gonna take my rocking chair
        G                            D7         G  C7  G  D7
And if the blues comes and finds me I'll just rock away from there

Trouble in mind…
